

**EXHIBIT A****Marked-Up Claims**

1. (Amended) A method for decorating fruit with a design, the method comprising the steps of:
  - selecting a fruit;
  - selecting a design to decorate the fruit;
  - printing the design;
  - coating the fruit with an edible, substantially water-intolerant coating; and
  - attaching the design to the coated fruit.
2. (Amended) The method of claim 1 wherein the design is printed on an edible [frosting] sheet.
13. (Amended) The method of claim 22 [12] wherein the chocolate is milk chocolate.
14. (Amended) The method of claim 22 [12] wherein the chocolate is white chocolate.
21. (New) The method of claim 1 wherein the coating is flavored.
22. (New) The method of claim 1 wherein the coating is chocolate.
